Sir,

In continuation of my letter No: 563 of the 2d instant, forwarding my report on the inspection of the accounts of the Agricultural Bank at Ardikoppa in the Koppa Taluk, I have the honor to forward herewith Copy of the Bank Presidents' No 10 of the 22d February 1903 and of its enclosure praying that the number of instalments for repayment of the Government advance may be increased from 8 to 12, and in inviting reference to my answer to Question No: 9 of the Inspection report, I beg to recommend that for the reasons therein given, the Extension applied for may kindly be

Sanctioned. There is no doubt that the
arecanut-growers who are the members
of the Bank have suffered considerable
loss, not only on account of short crop
due to kole-roga last year but also on
account of the low prices prevailing in
the market for the produce of their gardens.

I have the honor to be,

Sir,

Your most obedient Servant
